Good News from Jon & Jo Parsons
A US entrepreneur has agreed to match all funding Turning Point receives in 2010 whether from individuals, churches, grant-making bodies - whatever. Also they are planning their Sabbatical from September to December 2010; it will incorporate some time for rest, relaxation & refreshment, and some time for study.
 The annual visit by Jon, Jo and the children will be on the weekend of 23/25th July. An afternoon/evening event on Saturday 24th July is being arranged that will give insights into the work of the Turning Point Trust and an opportunity to view photos from the recent group visit. There will be a special Sunday morning service focussing on the work of Turning Point. All the latest project information can be found on www.facebook.com/tptrust. Please continue your prayer support for Jon, Jo and the team.

News from Nick and Kate Wooding CMS Partners
 A very Happy Easter to you all in Dorcan. We hope that you have recently received our latest newsletter (No. 4) and received our earlier one in November. We do hope to do more regular updates but settling in has taken time! Ben and Anna are planning to write one soon as well! Many thanks indeed for all your support for us.

Prayer Initiative
 For the next few weeks we will be praying for the residents of Swanbrook, Finchdale and Heronscroft, Covingham. Please also remember them in your private prayers.

Many Thanks to those who made cakes for the staff of the five schools we have contact with. We send them in with an Easter Card and our thanks for all their hard work. We had contact with almost 100 children over the last 2 weeks explaining the real meaning of Easter.. Its different from the other sessions we do and seemed to go better this time. One teacher from Covingham school couldn't believe we are only volunteers. For those who support Abi financially and in prayer - many thanks.
